Notes:

2008-2009 Season – The new schedule
will be out close to the end of April. If
you are interested in your students
someday being part of one of our
companies, please speak with the office
about class recommendations for next
season. There will be 5 companies
offered next year for ages 5 through to
early 20s.

Dance Camps – Camps are held in
August. Camps are divided into 3 age
groups 3-4, 5-7 and 8-12 years. For
specific details please look on our
website or at the information posted in
the studio. Register and pay before May
11th to save 10% on tuition.

Year-End Costumes:

Many students have been measured and
seamstresses have bought material and
have started making costumes. If you
have not paid for your costumes, fees
are now due. Fees must be paid for our
seamstresses to start work on your
student's individual costume.

- If you have one costume, it must be
paid in full.

- If you have more than one costume to
pay for, you may pay half now and half
on April 24th.

*** Year-End costumes may be paid
online via our website through PayPal, or
by cash or cheque to the office.

Photos – Sunday June 1st - All students
are expected to attend picture day,
whether you decide to order pictures or
not. This year's pictures will be displayed
in the studio next season and it is nice to
have the whole class represented.

We'll send home a schedule in May with
the time when your dancer's class
photos will be taken.
