Notes:

SSDC WEAR - We will be ordering SSDC wear for Christmas. We will not be taking specific orders but rather selling the clothing from the office once it arrives.

Dance Shoes - A reminder that students should now have appropriate dance shoes for each class. If you are unsure of what you need please speak with someone in the office.

GETTING READY FOR THE DECEMBER SHOW!

Students are now learning and practicing their dances in class. Remember that attendance is very important!

Teachers need students in class to choreograph the routines and polish them up, and students need time to learn the dance and practice it to be ready for the show.
